

FUNK4SOUL

Lee Pazmino: Executive Director/Choreographer
Janey Madamba: Artistic Director/Choreographer
Email: funk4soul@gmail.com

Mission Statement: Funk4Soul strives to enhance political and social consciousness by serving children, youth and adults, with the intention of supporting, challenging and transforming aspiring, intermediate and seasoned dancers from all backgrounds and orientations.

Company Fees: A dance company fee of \$30 is due at the first rehearsal of each month. This fee will be used solely for rehearsal space, costume/dance attire, and for guest instructors/workshops.

Expectations: Every member of Funk4Soul will be held accountable for their actions, including those outside of rehearsal or performances. If a member's actions are not in the best interest of the company or will in anyway jeopardize the goals, expectations or reputation of Funk4Soul, a three-strike policy will be implemented for any of the listed items below. In the event any member accumulates three strikes, they will be subject to consequences at the director's discretion (i.e., not participating in a performance, or termination from the company). Such actions will be reviewed on an individual basis.

1. Dancers are expected to show up to rehearsal on time. If for some reason, a dancer must miss rehearsal, they should inform the director at least 24 hours in advance. Dancers who are tardy or miss frequent rehearsals jeopardize their participation in upcoming performances.
2. Dancers are expected to come to rehearsal/performances prepared and ready to dance. This includes wearing proper dance attire/shoes, having water, and leaving all personal matters at the door.
3. Dancers will show respect to all members of the company and will conduct themselves in a professional and cooperative manner.
4. Dancers will give 100% of their effort at all rehearsals and performances and demonstrate a sense of dedication to the company.

I have read and understand all of the above guidelines, and agree to hold myself to these standards.
